

DANIEL ZAVULUNOV

ARCHITECTURE

WORK EXPERIENCE

**MAY–JUNE
2025**

DAVID DICK ARCHITECT INC. (INTERNSHIP)

Scottsdale, Arizona

Collaborated with my colleagues to compile a preliminary set of construction documents by drafting elevations, sections, and details of custom guest homes, garages, and workshops. I also created 3D models and presentation plans to support design communication. My responsibilities included researching and interpreting building codes and ordinances, preparing scaled drawings, and coordinating with engineers, consultants, and other team members to ensure technical accuracy and design consistency. I occasionally participated in on-site construction visits while also maintaining organized project files and completing assigned tasks accurately and on time.

**JULY–AUGUST
2023**

ADMA ARCHITECTS (INTERNSHIP)

Jerusalem, Israel

Collaborated on the design and development of exterior facade systems and structural layouts for a residential complex in Jerusalem, responding to site constraints and the high-density urban fabric of the region.

**NOVEMBER
2020**

CH ARCHITECTURE LLC (SHADOWING)

Tempe, Arizona

I received hands-on experience in design, drafting, permitting processes, and client communication through my shadowing position. There, I worked on a range of projects and gained exposure to multiple architectural skills.

EDUCATION

Arizona State University

Present

Herberger Institute for Design and the Arts
Master of Architecture (**M.ARCH**)

Arizona State University

2023–2025

Herberger Institute for Design and the Arts
Bachelor of Science in Design (**BSD**)

Scottsdale Community College

2021–2023

Architectural Technology
Associates of Applied Science (**AAS**)
